Condition 1

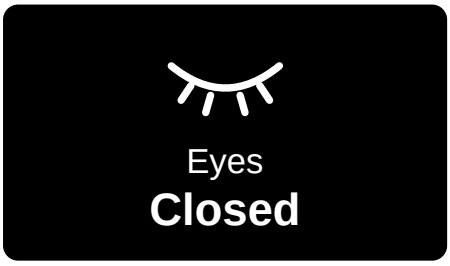

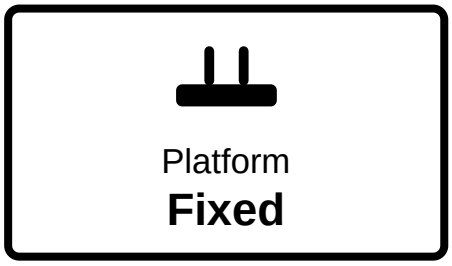

Keep your eyes open and look straight ahead. The surroundings do not move, and neither does the platform under your feet. Stand as straight and as still as possible, arms by your sides.

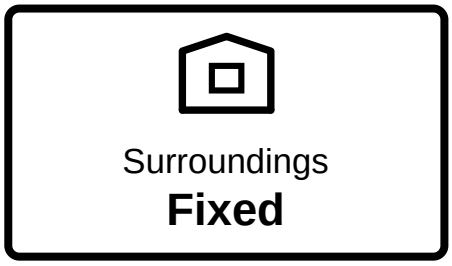

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.

Sensory Organization Test (SOT) Large print

Condition 2

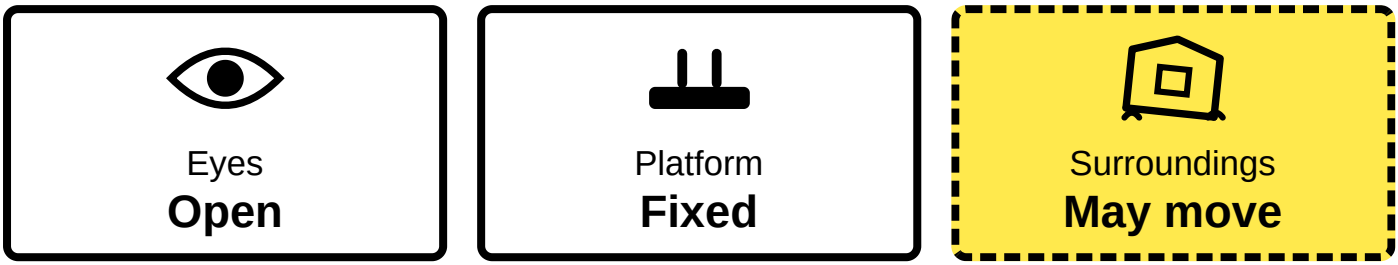

Close your eyes and keep them closed until the end of the trial. The platform under your feet does not move. Stand as straight and as still as possible.

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.

Condition 3

Keep your eyes open and look straight ahead. The surroundings may move slightly: this is normal. The platform under your feet does not move. Stand as straight as possible without moving your feet.

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.

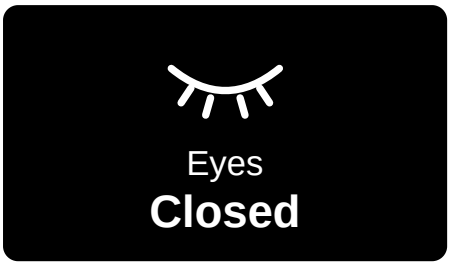

Condition 4

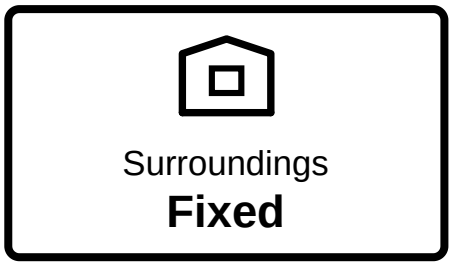

Keep your eyes open and look straight ahead. The surroundings do not move, but the platform under your feet may move slightly. Stand as straight as possible without moving your feet.

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.

Condition 5

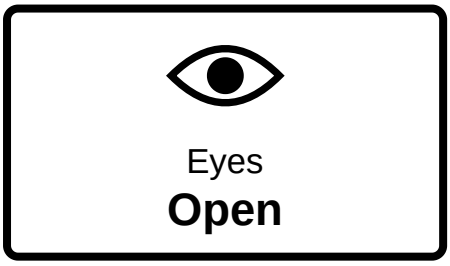

Close your eyes and keep them closed until the end of the trial. The platform under your feet may move slightly. Stand as straight as possible without moving your feet.

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.

Sensory Organization Test (SOT) Large print

Condition 6

Keep your eyes open and look straight ahead. Both the surroundings and the platform under your feet may move slightly. Stand as straight as possible without moving your feet.

Duration: 20 seconds · You are wearing a safety harness: you cannot fall.
